(C.I.D.) Office Notes

A. D. C. J.,

The crew of eight men of the S.S. "Stensby", reported to you in the "China Press", March 3rd, were discharged in accordance with a telegram received by the Captain from the company's head office, for whom Messrs. Adamson & Co. Ltd., 1, Canton Road are the local agents. They were paid off by the Danish Consul, No. 1 Avenue Dubail.

Five members of the crew have already been given employment in other ships and the following are the names of the others:-

Henry	Johansen	Danish
H.	Jacobsen	"
Th.	Adils	Icelander
H.	Eriksson	Swede
J.	Borjisson	ditto
C.	Kieselbach	Nationality uncertain.

Messrs Johansen, Jacobsen, Adils & Borjisson are being supported financially by the Danish Consul-General and Mr. Eriksson is being supported by the Swedish Consul General. These men are of excellent character. The S.S. "Stensby" is due to again arrive in Shanghai shortly when an endeavour will be made officially by the Danish Consul General to reinstate them in their ship, failing which they will be immediately repatriated. (sent home). As Kieselbach's nationality is uncertain and the German Consulate does not recognize him, although he speaks German fluently,

he is not being assisted financially by the Danish Consul General.

Kieselbach threatened the captain at the Danish Consulate and consequently he is not considered reliable. He has applied to the German Relief Society for assistance.

March 23rd 1929.
